National Standard of the People's Republic of China

GB 38850-2020

List for materials and restricted substances in disinfectant

Date of Issuance: April 9, 2020

Date of Implementation: November 1, 2020

Issued by:

State Administration for Market Regulation of the People's Republic of China, and
Standardization Administration of the People's Republic of China

Foreword

All technical contents in this standard are mandatory.

This standard is drafted in accordance with the rules in GB/T 1.1-2009.

This standard was proposed by and is under the jurisdiction of the National Health Commission of the People's Republic of China.

This standard is drafted by the following organizations: the National Institute of Environmental Health under China CDC, the Center of Health Supervision under the National Health Commission of the People's Republic of China and the Zhejiang Provincial Center for Disease Control and Prevention.

The main drafters of this standard include: Li Xinwu, Ban Haiqun, Sun Shouhong, Hu Guoqing, Wang Yanyan, Shen Kaicheng, Lv Hui, Fei Yunbin, Wu Liang, Wang Yurong, Sun Jiansheng, Ren Yinping and Sun Wen.

List of materials and restricted substances in disinfectant

1. Scope

This standard specifies the list of materials and their scope of application for disinfectants used for different objects. It also specifies the prohibited and restricted substances in disinfectant formulas.

This standard applies to disinfectants for drinking water, human, medical instruments, environment and object surface, contaminants, indoor air, central air-condition, swimming pool water and contaminated water of hospital.

2. Normative References

The following referenced documents are indispensable for the application of this document. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies.

GB 5749 Standards for drinking water quality

GB/T 19104 Peracetic acid solution

GB/T 19106 Sodium hypochlorite

GB/T 20783 Stable chlorine dioxide solution

HB/T 3779 Dichloroisocyanuric acid sodium salt

Pharmacopoeia of the People's Republic of China (Edition 2015)

Specifications for hygiene and safety evaluation of disinfectants and disinfection equipment for drinking water (issued by the former Ministry of Health (WEIJIANDUFA [2005] No.336))

Safety and technical standards for cosmetics (Edition 2015) (issued by the China Food and Drug Administration)
