Chapter I

GENERAL PROVISIONS

Article 1. Scope of regulation

This Decree details and guides the implementation of a number of articles of the Law on Chemicals regarding the management of chemical activities and hazardous chemicals in products and goods, including:

1. Clause 5, Article 2 regarding specific criteria for “toxic substances”.
2. Clause 5, Article 10 regarding requirements for chemical production organizations; regarding the revocation of Production Licenses for banned chemicals.
3. Clause 5, Article 11 regarding requirements for chemical trading organizations.
4. Clause 7, Article 12 regarding export, import, temporary import for re-export, temporary export for re-import, border-gate transfer, transit, and other activities related to international goods trading for chemicals.
5. Clause 7, Article 14 regarding obligations of organizations and individuals storing chemicals; regulations on the content of the Certificate of eligibility for chemical storage services; regulations on conditions, sequence, procedures, and authority to grant, re-grant, adjust, and revoke the Certificate of eligibility for chemical storage services.
6. Clause 5, Article 15 regarding the declaration of chemical types and purposes of use for chemicals requiring special control on the Specialized Chemical Database.
7. Clause 2, Article 18 regarding cases exempted from the Certificate of eligibility for production and trading of conditional chemicals; License for production, trading, export, and import of chemicals requiring special control; License for production and import of banned chemicals; Certificate of eligibility for chemical storage services.
8. Clause 2, Article 19 regarding the sequence and procedures for revoking the Certificate of eligibility for production and trading of conditional chemicals; License for production, trading, export, and import of chemicals requiring special control; License for production and import of banned chemicals; Certificate of eligibility for chemical storage services.
