RESOLUTION

REDUCTION, DECENTRALIZATION, AND SIMPLIFICATION OF ADMINISTRATIVE PROCEDURES AND BUSINESS CONDITIONS WITHIN THE SCOPE OF THE MINISTRY OF INDUSTRY AND TRADE

Pursuant to Law on Government Organization No. 63/2025/QH15;

*Pursuant to Law on Promulgation of Legislative Documents No. 64/2025/QH15, amended and supplemented
by Law No. 87/2025/QH15;*

At the request of Minister of Industry and Trade;

*The Government of Vietnam hereby promulgates the Resolution on reduction, decentralization, and
simplification of administrative procedures and business conditions within the scope of the Ministry of
Industry and Trade.*

Chapter I

GENERAL PROVISIONS

Article 1. Scope

This Resolution prescribes the reduction, decentralization, and simplification of administrative procedures and business conditions within the scope of the Ministry of Industry and Trade.

Article 2. Principles for reduction, decentralization, and simplification of administrative procedures and business conditions

1. The reduction, decentralization, and simplification of administrative procedures and business conditions must ensure the creation of favorable conditions for organizations and individuals; foster a favorable, healthy, and fair business environment; promote innovation and creativity; and enhance the effectiveness and efficiency of state management.
2. Continue to comprehensively reform and improve the effectiveness of the single-window and interconnected single-window mechanisms; ensure publicity and transparency; optimize procedures; implement administrative procedures to be initiated regardless of administrative boundaries; boost labor productivity, strengthen effectiveness and efficiency of management; and bring about robust improvements in administrative governance.
3. Continue to replace or reduce the required dossier components in administrative procedures based on the level of accessibility and utilization of databases; do not do not request dossier components for administrative procedures if the information therein is available in databases disclosed by the database governing bodies.
