Supervision and Administration Provisions on Children Cosmetics

Article 1 In order to regulate the production and operation of children cosmetics, strengthen the supervision and administration thereof, and ensure the safety of children's use of cosmetics, these provisions are hereby formulated in accordance with *Cosmetic Supervision and Administration Regulation (CSAR)* and other laws and regulations.

Article 2 These provisions shall be observed in the production and operation activities of children cosmetics and their supervision and administration within the territory of the People's Republic of China.

Article 3 Children cosmetics mentioned in these provisions refer to cosmetics that are suitable for children under 12 years old (including 12 years old) and have the efficacy of cleansing, moisturizing, body refreshing, and sun protection, *etc.*

Products labeled with expressions such as "applicable to entire population", "for the whole family" or implied that the product users include children by use of forms such as trademarks, patterns, homophones, letters, Chinese pinyin, numbers, symbols, packaging, *etc.*, shall be managed in accordance with children cosmetics.

Article 4 Cosmetic registrants and notifiers shall be responsible for the quality, safety and efficacy claims of children cosmetics.

Cosmetic producers and operators shall, in accordance with laws, regulations, mandatory national standards and technical specifications, engage in production and operation activities, strengthen the quality management of children cosmetics, and being faithful and self-discipline, ensure product quality and safety.

Cosmetic producers and operators shall establish and implement purchase inspection and recording system, *etc.*, to ensure the traceability of children cosmetics. Cosmetic producers and operators shall be encouraged to collect and store production and operation information by information technology, and establish a quality and safety traceability system for children cosmetics.

Article 5 Cosmetic registrants and notifiers shall, following the principles of scientificity and necessity, conduct research and development of children cosmetics based on the children's physiological characteristics and possible application scenarios.

Article 6 Children cosmetics shall be labeled with the children cosmetics mark prescribed by the National Medical Products Administration (NMPA) on the display panel of the sales package.

Cosmetics other than children cosmetics shall not indicate the children cosmetics mark.
