Several Provisions on Innovative Development of Cosmetics Industry in Shanghai Pudong New Area

(Adopted at the 42nd Session for the Standing Committee of the 15th Shanghai Municipal People's Congress on July 21, 2022)

Article I In order to promote the innovative development of the cosmetics industry in Pudong New Area, cultivate new models and new formats in the field of cosmetics, and assist the city construction of Shanghai as an international consumption center, these provisions are formulated in accordance with the basic principles of relevant laws and administrative regulations and in combination with the actual conditions of Pudong New Area.

Article II The Municipal People's Government shall strengthen leadership over the development of the cosmetics industry, deepen collaboration with relevant state departments, undertake the national innovation pilot work, and coordinate major issues in the development of the cosmetics industry in Pudong New Area and other regions.

The Pudong New Area People's Government shall strengthen leadership over the innovative development of the cosmetics industry in the region, integrate and optimize resources, and comprehensively coordinate major issues in the innovative development of the cosmetics industry.

Article III The municipal medical products administration department shall support...
