Article 1 Purpose Basis For the purpose of standardizing the registration and notification administration of new cosmetic ingredients, these provisions are hereby formulated in accordance with the requirements of the *Cosmetic Supervision and Administration Regulations (CSAR)*, the *Administrative Measures on Cosmetic Registration and Notification*, etc.

Article 2 Application Scope The dossiers submitted by the registration applicant or notification applicant of a new cosmetic ingredient when applying for registration or notification shall comply with the requirements of these provisions.

Article 3 Basic Principles The registration and notification dossiers for new cosmetic ingredients shall be based on scientific research and describe the traits, characteristics, safe use requirements, and other relevant information of the new ingredients in a comprehensive, authentic, accurate, and standardized manner.

Article 4 Seal and Signature Requirements The seals and signatures affixed to the registration and notification dossiers for new cosmetic ingredients shall comply with the relevant national regulations on the use of seals, and shall be complete, clear, and distinguishable, and legally effective. For overseas enterprises and other organizations that do not use official seals, the dossiers shall be signed by their legal representatives or authorized signatories. In case of an authorized signature, the original letter of authorization and its original notarial certificate shall be submitted, with the authorized matters, period, and scope clearly specified in the letter of authorization.

All registration and notification dossiers shall be affixed with the official seal of the registration applicant, notification applicant, or domestic responsible person of the new cosmetic ingredient page by page, except for the original dossiers issued by competent government departments, relevant institutions, inspection and testing institutions, notary public offices, and other such entities. Electronic signatures and seals that comply with the provisions of laws and regulations and have legal effect may be used for the registration and notification dossiers of new cosmetic ingredients.

Article 5 Information Submission Platform The registration applicant, notification applicant, or domestic responsible person of a new cosmetic ingredient shall, in accordance with the provisions, apply for registration or complete notification formalities
