Announcement

No. 103 of 2021

“Regulations of the People’s Republic of China on the Registration and Administration of Overseas Manufacturers of Imported Food” (Decree No. 248 of GACC, hereinafter referred to as “Registration Regulations”) and “Measures of the People’s Republic of China for the Administration of Import and Export Food Safety” (Decree No. 249 of GACC, hereinafter referred to as the “Administrative Measures”) were promulgated on April 12, 2021, and will come into force as of January 1, 2022. The relevant matters are now announced as follows:

I. Regarding overseas manufacturer registration application and enterprise information inquiry

(1) Registration system login and overseas manufacturer information inquiry

The System of China Import Food Enterprises Registration (hereinafter referred to as the “Registration System”) can be visited via <https://cifer.singlewindow.cn/>, or via the China International Trade Single Window (<https://www.singlewindow.cn/>) Web Portal — China Import Food Enterprise Registration.

The registered overseas manufacturers of imported food can inquire their Chinese registration number, validity period and other information on the official website of the GACC or the registration system.

(2) Overseas manufacturer registration application

Unless relevant overseas competent authority and the GACC have separate agreements on registration method and application materials, overseas manufacturers of 18 categories of imported foods listed in Article 7 of the “Registration Regulations” shall be assigned with accounts to the registration system by the competent authority of the country (region), and submit the application through the registration system according to the procedure. System accounts for overseas competent authorities are allocated by the GACC. The overseas manufacturers of imported foods other than 18 categories listed in Article 7 of the “Registration Regulations” shall apply for their accounts to the registration system by themselves and submit the application according to the procedures of registration system.
