Regulations on Supervision and Administration of Dairy Product Quality and Safety

Chapter I General Provisions

Article 1 In order to strengthen the supervision and administration of dairy product quality and safety, ensure the quality and safety of dairy products, protect the physical health and life security of the public, and promote the healthy development of the dairy industry, these Regulations are hereby formulated.

Article 2 The “dairy products” mentioned in these Regulations refer to raw and fresh milk and milk products.

These Regulations shall apply to the supervision and administration of dairy product quality and safety; if the laws have other provisions on the supervision and administration of dairy product quality and safety, those provisions shall prevail.

Article 3 Milk yielding animal raisers, raw and fresh milk purchasers, dairy product manufacturing enterprises and sellers shall be responsible for the quality and safety of the dairy products they respectively produce, purchase, transport, and sell, and shall serve as the first responsible person for the quality and safety of the dairy products.

Article 4 The local people’s government at or above the county level shall be responsible overall for the supervision and administration of dairy product quality and safety within its own administrative region.

The animal husbandry and veterinary competent department of the people’s government at or above the county level shall be responsible for the supervision and administration of milk yielding animal raising and production and purchase links of raw and fresh milk. The quality supervision, inspection and quarantine department at or above the county level shall be responsible for the supervision and administration of dairy product production and dairy product import and export links. The industrial and commercial administrative department at or above the county level shall be responsible for the supervision and administration of dairy product sales link. The food and drug supervision department at or above the county level shall be responsible for the supervision and administration of dairy products in catering service link. The health competent department of the people’s government at or above the county level shall be responsible for the comprehensive coordination of the supervision and administration of dairy product quality and safety, and organization of the investigation and handling of major food safety incidents according to
