Catalogue of Feed Additives

(Based on the Ministry of Agriculture's Announcement No.2045 and subsequent revised announcements, as of December 2024)

The Catalogue of Feed Additives (2013) was issued by the Ministry of Agriculture (MOA) of the People's Republic of China on December 30, 2013 in Announcement No.2045, and came into effect on February 1, 2014. It was later revised several times by the Ministry of Agriculture and Rural Affairs (MARA).

According to the Announcement No.2045 of the MOA and the subsequent revised announcements, the Catalogue of Feed Additives is compiled and summarized as follows, and will be updated in a timely manner according to the approval and revision status for reference by all parties.

Table 1 Catalogue of feed additives

Table 2 New feeds and new feed additives listed in Annex 2 of Announcement No.2045

Table 3 New feeds and new feed additives approved after the release of Announcement No.2045

Table 4 Feed additives with reduced content specifications and major changes in production process
