Administrative Measures for Product Formula Registration of Infants and Young Children Formula Milk Powder

(Promulgated by Decree No. 80 of the State Administration for Market Regulation on June 26, 2023, and revised by Decree No. 109 on December 1, 2025)

Chapter I General Provisions

Article 1 In order to be stricter in the administration of product formula registration and ensure the quality and safety of infants and young children formula milk powder, the Measures are hereby formulated in accordance with the Administrative Licensing Law of the People's Republic of China, Food Safety Law of the People's Republic of China, Implementation Rules for the Food Safety Law of the People's Republic of China, and other laws and regulations.

Article 2 The Measures shall apply to the administration of product formula registration of infants and young children formula milk powder produced, sold and imported within the territory of the People's Republic of China.

Article 3 The term "product formula registration of infants and young children formula milk powder" refers to the activity organized by the State Administration for Market Regulation, in accordance with the procedures and requirements stipulated in the Measures, to review the product formulas of infants and young children formula milk powder that is applied for registration and decide whether to approve the registration.

Article 4 The administration of product formula registration of infants and young children formula milk powder shall follow the principles of science, strictness, openness, fairness and impartiality.

Article 5 The administration of product formula registration of infants and young children formula milk powder is the responsibility of the State Administration for Market Regulation.

The acceptance, technical review, on-site verification, certificate making and delivery regarding application for product formula registration of infants and young children formula milk powder are the responsibility of the Food Review Institution of the State Administration for Market Regulation (Food Review Center, hereinafter referred to as the "Review Institution", which also organizes experts for demonstration as needed.
