## **Announcement on Issuing the *Catalogue of Priority Chemicals (1st Batch)***

In order to implement the *Action Plan for Prevention and Control of Water Pollution* (Guo Fa [2015] No. 17) issued by the State Council, the *Catalogue of Priority Chemicals (1st Batch)* is established collectively by Ministry of Environmental Protection of the People's Republic of China, Ministry of Industry and Information Technology of the People's Republic of China and National Health and Family Planning Commission of the People's Republic of China, and is hereby issued.

As for the chemicals listed in the *Catalogue of Priority Chemicals (1st Batch)*, the risk management and control measures shall be taken for the key links in which the environment and health risks are caused by such chemicals, in accordance with relevant policies and regulations and in combination with the technical and economic feasibility, in order to minimize the significant influences of the production and use of chemicals on the human health and environment.
