

Administrative Measures on Health Food Labelling

(2015-07-28 Draft)

Chapter 1 General Provisions

Article 1 [Basis] This Measure is formulated to regulate the management of health food labelling according to the Food Safety Law of the People's Republic of China (hereinafter referred to as Food Safety Law) and its implementation rules as well as the Administrative Measures for Registration and Filing of Health Foods.

Article 2 [Scope] This Measure is applicable to the labelling and its management of health food that are produced and sold with the territory of People's Republic of China.

Article 3 [Definition] Health food labelling in this Measure is a general term of all characters, symbols, numbers, patterns, etc. which are used to describe product and company basic information, including instructions, labels and symbols.

Health Food label refers to words, graphs, symbols and any description materials that are attached to the product sales package for identifying the characteristics and functions of health foods and safety warning, etc.

Health food instruction refers to materials that are made by the health food registrant or filing person and exist separately used for further explain the product information.

Health food symbol refers to the mark attached to the product and fully able to distinguish this specific product from others.

Article 4 [Regulatory Responsibilities] China Food and Drug Administration (hereinafter referred to as CFDA) is responsible for formulating the regulation for management of health food labelling and guiding the national supervision and management on health food labelling.
