Administrative Measures on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Products

Ministry of Industry and Information Technology
National Development and Reform Commission
Ministry of Science and Technology
Ministry of Finance
Ministry of Environmental Protection
Ministry of Commerce
General Administration of Customs
General Administration of Quality Supervision, Inspection and Quarantine
Order
No. 32

Chapter 1 General Principles

Article 1 In order to control and reduce environmental pollution caused by discarded or waste electrical and electronic products (EEPs), promote cleaner production and integrated use of resources in EEP industry, encourage green consumption and protect the environment and human health, the Measures is formulated in accordance with the Law of People's Republic of China on Promotion of Clean Production, Law of the People's Republic of China on the Prevention and Control of Environmental Pollution by Solid Waste, Regulation on the Administration of the Recovery and Disposal of Waste Electrical and Electronic Products and other relevant laws and regulations.

Article 2 The Measures applies to all EEPs manufactured, sold and imported in the territory of the People's Republic of China.

Article 3 The definitions of the terms under the Measures are as follows:

- (1) Electrical and electronic products (EEPs) refer to devices and accessories with a nominal working voltage under 1500 V DC, or 1000 V AC. Equipment for power generation, transmission and distribution are excluded.
- (2) Pollution caused by EEPs refers to the destruction, damage, waste or other adverse effects
