General Standard for the Labeling of Food Additives

1 Scope

This standard applies to the labeling of food additives. The labeling of food nutritional fortification substances shall refer to this standard.

This standard does not apply to the labeling of protective packages used for storage and transportation of food additives.

2 Terms and definitions

2.1 Label

Refer to any descriptive matters on the packages of food additives including words, images, marks, etc.

2.2 Instruction

Refer to instructive materials provided when the food additive is sold except the label.

2.3 Date of production (Date of manufacture)

Refer to the date when a food additive comes to the stage of final product, that is, the date when the food additive is placed (injected) into a package or a container so that the final sales unit is formed.

2.4 Date the minimum durability
