

Chapter I General Provisions

Article 1 To strengthen the supervision and management of overseas manufacturers of imported food, these Provisions are formulated according to the *Food Safety Law of the People's Republic of China* and its implementing rules, the Law of the People's Republic of China on Import and Export Commodity Inspection and its implementing regulations, etc.

Article 2 These Provisions apply to the registration as well as the supervision and administration of overseas production, processing and storing enterprises exporting foods to China (hereinafter referred to as overseas manufacturers of imported foods).

Article 3 The General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China (hereinafter referred to as the AQSIQ) uniformly administrates the registration of overseas manufactures of imported foods.

The Certification and Accreditation Administration of the People's Republic of China (hereinafter referred to as the CNCA) organizes and implements the registration of overseas manufactures of imported foods as well as their supervision and administration.

Article 4 The Implementation Catalogue of Registration of Overseas Manufacturers of Imported Foods (hereinafter referred to as the Catalogue) shall be established and adjusted by the CNCA, and published by the AQSIQ.

The registration review procedure and technical requirement for products of different categories in the Catalogue shall be separately developed and released by the CNCA.

Article 5 Overseas manufacturers of foods listed in the Catalogue shall not be allowed to export their products to China without registration.
