

Administrative Measures on Safety Examination of New Food Raw Materials

NHFPC Order No.1–2013

The Measures on the Administration of Safety Examination of New Food Raw Materials, which was adopted by the executive meeting of the former Ministry of Health on 5 Feb 2013, is hereby promulgated and shall come into force as of 1 Oct 2013.

Director Li Bin

31 May 2013

Article 1 These Measures are formulated according to the Food Safety Law of the People's Republic of China and its Implementation Rules, in order to regulate the examination on safety evaluation documents of new food raw materials.

Article 2 New food raw materials in this Measures refer to the following food raw materials without traditional eating habits in China:

1. Animals, plants and microorganisms;
2. Ingredients derived from animals, plants and microorganisms;
3. Food ingredients, the original structure of which change; and
4. Other newly developed food raw materials

Article 3 New food raw materials should have the characteristics of food raw
