

Preface

This standard replaces “GB 16740-1997 General Standard for Health (Functional) Foods”.

Comparing to GB 16740-1997, the main changes are:

- The name of this standard has been revised to “National Food Safety Standard Health Food”;
- The scope has been revised;
- The definitions and terminologies have been amended;
- The product classification has been deleted;
- The basic principles have been deleted;
- The technical requirements have been revised;
- The testing method has been deleted;
- The labeling requirements have been revised.
