

Preface

This standard replaces “GB 19299-2003 Hygienic Standard for Jelly” and part of “GB 19883-2005 Jelly”.

Any indexes in “GB 19883-2005 Jelly” that conflict with this standard, this standard shall prevail.

Comparing to standards that have been replaced, the main changes of this standard are:

- The standard name has been changed to “National Food Safety Standard Jelly”;
- The application scope has been revised;
- The definition and terminology have been revised;
- The physicochemical indexes have been amended;
- The requirements on product specifications have been added;
- The requirements on warnings of food safety and consumption method have been added.
