

Preface

This standard replaces GB 2759.1–2003 Hygienic Standard for Frozen Drinks and its first modification sheet.

Compared with GB 2759.1–2003, this standard contains the following main changes:

The name of the standard has been revised into “National Food Safety Standard Frozen Drinks and Production Materials”;

- the description of scope has been modified;
- the terms and definitions have been modified;
- the sensory requirements have been modified;
- the physicochemical requirements have been modified;
- the microorganism indicators have been modified;
- the requirements for transportation and storage conditions have been modified;
- the requirement for sales has been added;
