Premier Li Keqiang

October 11, 2019

Implementation Rules of Food Safety Law of the People's Republic of China

(Promulgated by Decree No.557 of the State Council of the People's Republic of China on July 20, 2009, revised in accordance with the *Decision of the State Council on Amending Certain Administrative Regulations* on February 6, 2016, revised and approved by the State Council at its 42nd executive meeting on March 26, 2019)

Chapter 1 General Provisions

Article 1 These Rules are formulated in accordance with the Food Safety Law of the People's Republic of China (hereinafter referred to as the Food Safety Law).

Article 2 Food producers and business operators shall engage in production and business activities in accordance with laws, regulations and food safety standards, establish and improve food safety management systems, and take effective measures to prevent and control food safety risks and ensure food safety.

Article 3 The Food Safety Committee of the State Council shall be responsible for analyzing the food safety situation as well as researching, deploying, coordinating and guiding the food safety work, proposing major policies and measures for food safety supervision and administration, and urging the implementation of the responsibility mechanism for food safety supervision and administration. The food safety committee of the local people's government above the county level shall carry out its work in accordance with the duties prescribed by the people's government at the same level.
