Regulations for Issuance of Permit License of Specific Purpose Cosmetics

Chapter 1 General Provisions

Article 1 These Regulations are formulated in accordance with the provisions of Paragraph 6 of Article 5 of the *Cosmetic Hygiene and Safety Act* (hereinafter referred to as the Act).

Article 2 Before the implementation of the Act, those who have obtained cosmetic license of medical or poisonous drugs in accordance with the *Statute for Control of Cosmetic Hygiene* shall be regarded as specific purpose cosmetics during the validity period of the license.

Article 3 The terms used in these Regulations are defined as follows:

1. Specific purpose cosmetics: the cosmetics with such purposes as sunscreen, hair dyeing, permanent wave, antiperspirant, deodorant, tooth whitening or other purposes announced by the central competent authority in accordance with Paragraph 1 of Article 5 of the Act.
2. Letter of authorization: the certificate issued by the foreign original manufacturer, head office or its entrusted manufacturer of specific purpose cosmetics, granting to inspect and register the products imported by the applicant and sell them in Taiwan.
3. Certificate of manufacturing and selling license issued by the producing country: the certificate documents indicating the manufacturing license and free sale in that country issued or approved by the producing country.
4. Ingredient list: the full ingredient formula list issued by the manufacturer or the head office, which indicates the name and content of the ingredient.
5. Testing result report: the documents that specify the properties, primary ingredient, identification method, quantitative method, qualified range of content, testing result and other determination data.

Chapter 2 Manufacture and Import

Article 4 Anyone who applies for inspection, registration and issuance of license to manufacture specific purpose cosmetics in accordance with the provisions of Paragraph 1 of Article 5 of the Act shall fill in an application form, submit the
