Administrative Provisions on Cosmetic Labeling

Order of the General Administration of Quality Supervision, Inspection and Quarantine
No.100

Chapter I General Provisions

Article 1 For the purpose of strengthening the supervision over and administration of cosmetic labeling, regulating cosmetic labeling activities, preventing quality fraudulence and protecting the personal health and safety of consumers, these Provisions are formulated in accordance with “Product Quality Law of the People's Republic of China”, “Standardization Law of the People's Republic of China”, “Administrative Regulation of the People's Republic of China on the License for Manufacturing Industrial Products” “Special Provisions of the State Council on Strengthening the Supervision over and Administration of the Security of Food and Other Products” and other laws and regulations.

Article 2 These Provisions apply to the labeling of cosmetics produced (including sub-package) and distributed in the People's Republic of China and the administration thereof.

Article 3 The term “cosmetic” as mentioned in these Provisions refers to articles intended to be applied to the human body (skin, hair, nails of fingers or toes, lips and teeth, etc.) by spraying, spilling or any other similar ways for cleansing, beautifying, promoting attractiveness, altering the appearance, changing the smell of the human body, or maintaining sound conditions of the human body.

Article 4 The General Administration of Quality Supervision, Inspection and Quarantine (hereinafter referred to as the General Administration of Quality Inspection) shall, within its authorized scope of functions and duties, take charge of the supervision and administration of cosmetic labeling throughout the whole nation.

The local quality technical supervision departments at or above the county level shall, within their respective authorized scope of functions and duties, take charge of the supervision and administration of cosmetic labeling of their respective jurisdictions.

Chapter II Cosmetic Labeling Statements

Article 5 A cosmetic label must be authentic, accurate, scientific and legal.

Article 6 A cosmetic label must be marked with product name.
