Order of Ministry of Transport of the People's Republic of China

(No. 29 [2019])

The *Measures for Safety Administration of Road Transport of Dangerous Goods*, as adopted at the 15th executive meeting of the ministries on July 10th, 2019, are hereby issued and shall come into force on January 1st, 2020.

Measures for Safety Administration of Road Transport of Dangerous Goods

CHAPTER I GENERAL PROVISIONS

Article 1 To enhance the safety management on road transport of dangerous goods, prevent traffic accidents during road transport, and protect people's life, property safety and the environment, the Measures is formulated in accordance with relevant laws and regulations including the *Work Safety Law*, *Regulations on Road Transport*, *Regulations on the Control over Safety of Hazardous Chemicals*, *Regulations on the Administration of Highway Safety*, etc.

Article 2 The Measures shall apply to the safety administration of transport of dangerous goods and associated activities using vehicles for road transport.

Article 3 Road transport of dangerous goods shall be conducted adhering to the principles of making safety the top priority,

prioritizing prevention, practicing comprehensive control and facilitating transport

Article 4 The transport administration under the State Council is responsible for the administration of road transport of dangerous goods across the entire nation.

The transport administrations under local people's governments at or above the country level are responsible for organizing and leading the administration of road transport of dangerous goods in their respective administrative jurisdiction.

The administrations of industry and information technology, public security, ecology and environment, emergency management, market regulation, etc. are responsible for the supervision and inspection of relevant activities of road transport of dangerous goods according to their won duties.

Article 5 The State shall establish the information sharing platform for supervision of hazardous chemicals and enhance the safety management on road transport of dangerous goods.

Article 6 Consignment and carriage of dangerous goods that are banned by laws and regulations shall be prohibited.

Article 7 The consignor, carrier and loader shall establish a verification, and record-keeping system for road transport operations of dangerous goods, and establish production safety management system including safety education and trainings for personnel, equipment management, and Standard Operating Procedures for posts, etc.

The consignor, carrier and loader shall, in accordance with relevant laws and regulations as well as the requirements specified in the *Regulations concerning Road Transport of Dangerous Goods (JT/T*
